# 2025 全球镍铬不锈钢 及煤焦产业大会

## 2025 Global Ni & Cr, Stainless Steel and Coal & Coke Industry Conference

2025年5月21日-23日 | 印度尼西亚 - 雅加达

May 21-23, 2025 | Indonesia, Jakarta

## About the Conference

This premier event brings together global leaders to explore Indonesia's pivotal role in the nickel, stainless steel, and coal industries. With over 3.2 million tonnes of nickel production capacity and the capacity utilization rate expected to exceed 75% by 2025, Indonesia is the world's largest nickel supplier .

Concurrently, discussions will dissect coal and coke's evolving role in energy transition and Indonesia's rising export prominence, examining regional demand forecasts, carbon policies, and cross-border investment strategies.

This platform bridges nickel, coal & coke policymakers, mining representatives, traders, and steelmakers to align strategies amid geopolitical shifts and decarbonization imperatives.

## Key Focus Areas

Latest policy updates on Indonesia's nickel-stainless steel and coal industries.

Downstream development incentives for nickel/coal sectors in the new energy era.

Global dialogue on pricing models for Indonesian nickel, stainless steel, and coal.

Nickel smelting waste regulations and recycling feasibility.

EU carbon tariff impact and mitigation strategies for China/Indonesia.

Indonesia's coking industry trends and impact on China.

## Why You Must Attend?

Unlock Smart Business Decision-Making: Mysteel and DeepSeek collaborate to empower commodities enterprises with data-driven insights.

Coal supply chain buyer-seller B2B matchmaking sessions.

Prospects on the EU Carbon Border Adjustment Mechanism (CBAM)

Network with industry leaders from global nickel mining, smelting, coal, power, coking, trade, shipping, and quality inspection sectors.

## Language

Simultaneous interpretation in Chinese & English

## Conference Agenda

### Morning Sessions:

| Time        | Theme                                                                                                          | Speaker                                            |
|-------------|----------------------------------------------------------------------------------------------------------------|----------------------------------------------------|
| 09:00-09:30 | 开幕致辞<br>Welcome Address                                                                                        |                                                    |
| 09:30-10:00 | 印尼镍产业的税收激励：当前政策和未来方向<br>Tax Incentives for Indonesia's Nickel Industry: Current Policies and Future Directions | Kementerian ESDM                                   |
| 10:00-10:30 | 印尼镍和不锈钢行业面临的ESG挑战<br>ESG Challenges Facing Indonesia's Nickel and Stainless Steel Industries                   | Meidy Katrin Lengkey,<br>General Secretary of APNI |
| 10:30-11:00 | 新形势下中国钢铁行业发展回顾与展望<br>Review and Outlook of China's Iron and Steel Industry amid Changing Dynamics              | Wang Jianhua,<br>Chief Analyst, Mysteel            |
| 11:00-11:30 | 全球镍市场展望<br>Global Nickel Market Outlook                                                                        | Nickel Institute                                   |
| 11:30-12:15 | 问题① ESG政策如何改变印尼镍及不锈钢<br>新能源产业链<br>问题② 碳定价与各国碳税政策讨论<br>问题③ 中国的镍及不锈钢产业链的低碳之路                                     | TBD                                                |
| 12:15-13:30 | 自助午餐<br>Buffet Lunch                                                                                           |                                                    |

### Afternoon Sessions:

| Time        | Theme                                                                                                                                                       | Speaker                                                                               |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 13:30-14:00 | 从矿山到港口的镍供应链之路-NIL的实例分享<br>From Pit to Port: Nickel Industries Limited's Pathways to Ensure a Responsible Nickel Supply Chain                                | Muchtazar, M.S.,<br>Sustainability Manager,<br>Nickel Industries Limited              |
| 14:00-14:30 | 全球铬行业发展现状及投资环境对比<br>Global Chromium Industry Trends & Investment Climate                                                                                    | Wang Huiying,<br>Chairman of Beijing<br>Longyue Mining Co.,<br>Ltd.                   |
| 14:30-15:00 | 全球镍冶炼技术分类及优劣势分析<br>Nickel Smelting Tech Classification & SWOT Analysis                                                                                      | China ENFI (TBD)                                                                      |
| 15:00-15:30 | 新能源电池行业的未来发展机遇与阻碍<br>New energy battery sector: Opportunities and Barriers                                                                                  | Cui Dongshu,<br>Secretary-General of the<br>China Passenger Car<br>Association (CPCA) |
| 15:30-16:00 | 印度不锈钢产业扩张：全球供应波动下的镍与铬铁资源保障<br>India's Stainless Steel Expansion: Securing Nickel and Ferro Chrome amid Global Supply Volatility                             | TBD                                                                                   |
| 16:00-16:30 | 镍铁冶炼回转窑绿色低碳解决方案的研究与新材料的应用<br>Research on Green and Low-Carbon Solutions for Nickel Iron Smelting Rotary Kilns and Application of New Materials              | Zhang Chenghua,<br>Chairman of PT Yaohua<br>Technology Indonesia                      |
| 16:30-17:00 | 谁在定义大宗市场的未来价格？——AI+大数据时代产业分析革命<br>Who Determines the Future Pricing of Commodity Markets? — The Transformative Role of AI and Big Data in Industry Analysis | Wei Zheng, GM of<br>Stainless Steel Division,<br>Mysteel                              |
| 17:00-18:00 | 企业特色展台：国际业务交流会<br>International Business Networking                                                                                                         |                                                                                       |
| 18:00-20:30 | 答谢晚宴 Gala Dinner                                                                                                                                            |                                                                                       |

### Morning Sessions:

| Time        | Theme                                                                                                                      | Speaker                                                                                   |

| 10:00-10:30 | 印尼煤炭行业发展现状及产量趋势<br>Development Status and Production Trends of Indonesia's Coal Industry                                   | Kementerian ESDM                                                                          |
| 10:30-11:00 | 高进口量下，中国进口煤炭市场机遇与挑战<br>Opportunities and Challenges in China's Coal Import Market                                          | TBD                                                                                       |
| 11:00-11:30 | 印尼焦化产业发展现状<br>Development Status of Indonesia's Coking Industry                                                            | Elias Ginting, Chairman of the Indonesia Coke Association & Senior Advisor to China Risun |
| 11:30-12:00 | 兰炭在镍铁、钢铁等行业中的应用<br>The Application of Semi-Coke in Nickel Iron, Steel, and Related Industries                              | Shenmu Semi-Coke Industry Administration Office                                           |
| 12:00-13:30 | 自助午餐<br>Buffet Lunch                                                                                                       |                                                                                           |

### Afternoon Sessions:

| Time        | Theme                                                                                                                          | Speaker                                                    |
|-------------|--------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------|
| 14:00-14:30 | 印尼对印度煤炭出口：趋势、挑战与未来前景<br>Indonesia's Coal Exports to India: Trends, Challenges, and Future Prospects                            | TBD                                                        |
| 14:30-15:00 | 印尼煤炭在亚洲能源市场中的角色<br>The Role of Indonesian Coal in the Asian Energy Market                                                      | TBD                                                        |
| 15:00-15:30 | 中国焦钢企业海外建厂及运营经验分享<br>Best Practices in Overseas Coking & Steel Plant Management: A Sharing of Experiences by Chinese Companies | WANGXINHAI PT.BOTA TIAN<br>CHENG INDONESIA General Manager |
| 15:30-15:45 | 茶歇 Tea Break                                                                                                                   |                                                            |
| 15:45-16:15 | 俄罗斯煤炭产业发展现状与未来<br>Current Status and Future of Russia's Coal Industry                                                          | TBD                                                        |
| 16:15-16:45 | 2025年中国煤炭需求变化趋势分析<br>Analysis of China's Coal Demand and Changing Trends in 2025                                               | Xiong Chao, Senior Analyst of Coal and Coke, Mysteel       |
| 16:45-17:45 | 沙发论坛：全球煤炭供需格局新变化<br>Panel Discussion: New Changes in Global Coal Supply and Demand Dynamics                                    | TBD                                                        |

Note: This is a tentative agenda, subject to change.  
Final agenda and speakers will be posted closer to event date.

## Moments from 2024 Event

## Moments from 2024 Event

“ Your meticulous organization and dedication to advancing industrial development are truly commendable. We look forward to sharing our experiences and perspectives, and to learning from the diverse array of presentations and discussions that the conference will undoubtedly offer.

- GLC Recycle

I enjoyed my time discussing with the nickel sector leaders from China and used this chance to emphasize the importance of collaborations between these two nations to develop nickel production in the region.

- Nickel Industries Limited

## Conference Fee

Per Delegate Fee

**1,200 USD | 103,662 INR** + 18%GST extra

## Conference Hotel

**Pullman Jakarta Indonesia or Shangri-La Jakarta**  
**Address: Jakarta, Indonesia**

## Notes:

The registration fee includes the conference fee, materials fee, and meals for the duration of the event, but does not cover accommodation and travel costs.

## Past Participat List
